ENCLOSURE

62821 - /

R60

I have solid proof that you are a pro-Communist anti-America traitor. I have tapes of the treasonous things you have said on National Television and carbons of the letter I sent to you pointing out your false treasonous statements, letters which you didn't even answer. You make me want to puke, traitor Mike Wallace. The Dog does puke, every time he sees you on TV. He pukes all over the rug and doesn't even bother to lick it. He then trots over to the TV and piddles right in your eye. When Nixon, Liddy, Mitch, Mardian, Agnew and others talk, I predict that an outraged America will publicly hang you on prime time television. If you want to save your worthless hide start finding answers to some of the questions listed here and report them to the American people. boss, William Paley, can't save you. He is going to get hanged too. Our Founding Fathers wisely wrote the treason law right into the Constitution itself, obviously to care of precisely the kind of controlled press situation we are facing now.

There is some vital information which I, as an unknown, cannot get. Can you get it for me?

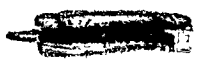

1 - Who are THE PEOPLE IN THE JUSTICE DEPARTMENT responsible for bringing Senator Gurney, John Connally, John Mitchell and Maurice Stans to trial on charges so flimsy that all were acquitted on all counts by juries even in the enflamed Watergate atmosphere. These trials were obviously staged for political reasons and WERE PART OF THE TREASONOUS PLOT to sell out to Communism in Southeast Asia - now successful. Senator Gurney said the Justice Department should be called the Injustice Department. If the Justice Dept. refuses to give you this information, call for a Congressional investigation, and if it is blocked tell me who blocked it.

2 - Will you contact Robert Vesco, the fugitive millionaire in Costa Rica, and ask him who the three prominent Democrats are who approached him before Watergate with a scheme to destroy high level Republicans by manipulating Grand Jurors. Vesco reported this in a nationally televised interview with Walter Cronkite. He apparently had notified Special Prosecutor, Archibald Cox, much earlier that he had the missing link in the Watergate case, but Cox wasn't looking for information against Democrats so he ignored him. Vesco said these three Democrats were not in office at the time but had been closely associated with government in the past and were prominent enough that most people would know them. According to Vesco they said Grand Jurors were the weak link in our system and could be manipulated. They said it wasn't necessary to have evidence enough to get a conviction - that an indictment would be enough to ruin the people targeted. All this was done and the long range treasonous goal was achieved.

Vesco's startling accusation was never published anywhere again that I saw. I have written to more than a hundred newspapers, Congressmen and others asking them to contact Vesco to find out who these three prominent Democrats are. To date no one has answered. It would be useless for me to write to Vesco myself. WILL YOU FIND OUT WHAT THE TRUTH

3 - Can you get for me a list of THE DECISIONS JUDGE GERHART GESSELL HAS HANDED DOWN WHICH HAVE A BEARING ON POLITICAL MATTERS? Judge Gesell is considered the most liberal Judge in Washington. Judge Gesell and Judge Sirica, in defiance of the law, prosecuted all of the Watergate defendants illegally. It is a cardinal principle of law that no one can be convicted of a crime without a corpus delicti (proof that a crime was committed). All defendants in the Watergate case claimed that both break-ins were committed for National Security reasons and were properly authorized. If true even Sam Ervin admitted that both burglaries were legal. Judge Sirica and Judge Gesell refused to allow the defendants to even try to prove that National Security was involved. The result was the greatest overt act of treason in the history of the world. Watergate was used by our Communist controlled press to stir the country into such a frenzy that the people elected a pro-Communist Congress which sold out to the Communists in Southeast Asia by cutting off the supplies. Defeat was snatched from the jaws of victory and 55,000 Americans who died to win that victory were doublecrossed and insulted.

W.B.L. D. A.M., L.L.
mph: L.L.
encl. 2 4/15/77

Judge Sirica and Judge Gesell played a large part in this deliberate treason and they were aided by the five judges on the Washington appeals Court who approved their illegal actions. Can you give me the names of THE FIVE APPEALS COURT JUDGES who ruled that the Watergate convictions were legal.

4 - What about the House Committee ^{investigate} to the Kennedy and King assassinations? Are they trying to get the truth or are they trying to cover up Castro's involvement by trying to make out that the FBI and the CIA did it. Let me know who votes for and against this committee and what the real struggle is about.

5 - Can you find out for me why Attorney General Bobby Kennedy ordered a wiretap on Martin Luther King and why this important information has been hushed up. I heard a report on the radio that a federal judge has ordered that all material uncovered about King be sealed for 50 years. If this is true who is the judge who ordered it and why did he do it? Is it possible to force out this information under the Freedom of Information Act?

6 - Can you get a copy for me of the Minority Report of the Erwin Senate Watergate Committee which Senator Erwin and the Democrats on his Committee refused to include in the regular report?

7 - Will you ask Senator Howard Baker what evidence he has that the CIA under Helms set up Watergate to destroy Nixon. Was this part of the overall treasonous conspiracy to sell out to Communism in Southeast Asia or was this merely the result of jealousies and bickering within the Department as Frank Sturgis seems to think?

ULTIMATUM BY THE DOG AND THE GENERAL

As a last bit of kindly advice to you the General wishes to quote his favorite passage from the Bible and urge you to heed what it says. He admits that following this scriptural advice will be tough and will completely change your future but he says it is the only way to persuade historians to give you a little sympathy. Here is the General's favorite Bible quote which he thinks may have been written specially for you. Quote - "Judah went and hanged himself. Go thou and do likewise."

NOTE - I told that old fool you can't take two separate passages from the Bible and tack them together that way. The last statement is out of context and doesn't represent what was intended at all.

The General drew himself up fiercely. "Tex," he said, "every word of the Bible is true. It doesn't make a bit of difference how you string them together. They are all true." The worst of it is his quote isn't even original. He learned it from a joke he heard.

The General says if you won't take the above advice then flee at once to your favorite Communist country and ask for asylum. No Communist country will be keen about taking you in, he warns. As Benedict Arnold learned, no one has much respect for a traitor. But they will probably accept you and give you some kind of modest employment, such as cleaning latrines, or spreading night soil if you go to China.

The General explains that almost anything is better than what is going to happen to you if you stay here. The treason law is written right into the Constitution itself and when the American people finally learn how you tried to sell us out to World Communism they are going to enforce that law with a vengeance, probably hang you on prime time television. Furthermore, if you end up getting hanged the Dog promises to bite you all the way up to the gallows and the General plans to jab you with his bayonet.

In fact they envision doing even more. The General hopes to sneak around and sprinkle some fish powder on the nose and then dump a handful of ants in your pants. "It's the only way to keep those snakes from using their last words to filibuster," the General says. As the Dog's final expression of contempt he plans to piddle on your leg just before the trap is sprung.

No doubt you hope to be saved by that great horde of bleeding hearts who oppose capital punishment, and to demonstrate his great compassion the General is willing to compromise on that. After you are sentenced to be hanged he will urge giving you two options: (1) - Life at hard labor - sixteen hours a day on the rock pile on bread and water (butter on your bread after ten years of good behavior), or (2) - Drop you by parachute over Cambodia from a plane marked CIA. This will, of course, be after you have been sentenced to hang, so that if you are ever found in the free world again the sentence can be promptly carried out. If you really do believe that Communists are compassionate peace loving people you should choose this last option.

WARNING - Do not trust the General. He is full of tricks, most of them dirty. Example: He is now writing to Ecology groups begging them to send him money. He promises to hang ten million traitors a year until we get the population down to manageable levels. He argues that this is the best way to cut down pollution. The thing he neglects to tell them is that he has all Ecology groups at the top of his list of people to be hanged first.

March 18, 1977

IMPORTANT NOTE ABOUT THE DOG AND THE GENERAL

If the Dog and the General write to you and threaten to hang you or physically harm you in any way, pay no attention. They are both fiction characters and as such are utterly incapable of harming anyone. Tex Hale, the other half of my split personality who invented the Dog and the General, thinks they are real. He thinks they have simply learned how to make themselves invisible and deliberately hide from him to annoy him. Poor Tex, ever since we were in a Prisoner of War camp in Germany in World War II he has had trouble determining what is real and what is not.

It should also be noted that the General, besides being a fiction character, has been declared legally insane. Both classifications annoy him tremendously. "Us insane people and us fiction characters are picked on more than any other minority," he says.

"Bull.....!" the Dog growls. "Dogs are picked on a thousand times more than you are. What other minority besides dogs is systematically exterminated by law?"

"You imbecile!" The General screams. "What other minority is pampered like you? You never do a lick of work. You lay around on a soft warm bed. You demand and get only the best of food - served to you at that. I sure wish I could get pampered like that for just wagging my tail."

This always leads to an argument, then a fight which goes on until both are exhausted. To avoid being blamed for their outlandish beliefs I readily admit that both the Dog and the General are bigoted racists. They are not fair or reasonable about anything. I make no attempt to defend them.

If you are shocked by the rude obscene things they write in their letters, just consider the source. You should see the nasty letter they just sent to the Pops. They demanded to know, among other things, why he never got married, and the things they insinuated from that innocent fact are scandalous. Take my advice, pay no attention to anything they say or do.

QUESTIONNAIRE (The Dog and the General insist on an answer)

Check all of the following which apply to you:

Are you: Good Jew.... Kike.... Good black.... Nigger.... Good Italian.... Wop....

Good Gentile.... Henkey.... Racist.... Nigger lover.... Redneck.... Bigot....

Are you a: Communist.... Marxist.... Communist lover.... Communist hater....

Useful Idiot (Lenin's term).... Are you a: Texas Democrat.... Jack Ass Democrat.

(Dumb Democrats who deliberately chose a Jack Ass as their symbol).... Bold Republican.

Fraid Republican.... Filthy Rich Republican.... Republican Crook....

This next should be answered only by traitors who expect to get hanged. Since the Dog and the General (The worlds greatest expert with the bayonet) plan to bite you and jab you all the way up to the gallows, this information is vital to tell them how hard to bite and jab.

Is your rear end: Tough.... Medium.... Tender.... Tough as sun dried leather.... (This last will be marked for all who do not answer).

For those traitors the General ~~will~~ he also plans to sprinkle itch powder on the nose and dump a handful of ants in their pants.

WATERGATE VOLCANO WHICH IS ABOUT TO EXPLODE

When the truth about Watergate finally comes out it will be like an exploding volcano and many prominent Americans may find themselves charged with treason.

FACTORS PUSHING TOWARD AN EARLY ERUPTION

- 1 - Nixon will soon be allowed to give his side of the case for the first time. At his insistence he would not present his defense until after the election.
- 2 - Agnew will soon be able to talk. His three years of probation are now over and he says the court cases which have kept him muzzled will be finished in the spring. He promises to tell all.
- 3 - Senator Gurney has finally been acquitted of all charges. He should now be able to tell us the names of the traitors in the Justice Department who framed him for daring to defend Nixon in the Watergate hearings.
- 4 - Senator Goldwater has written down the shocking abuse of Agnew but has instructed that it not be published until after his death. When Nixon, Agnew and Gurney talk he may change his mind.
- 5 - John Connally was also a victim of outrageous treatment by our enemy infiltrated Justice Department. Connally will not be shy about talking when the time comes.
- 6 - Robert Vesco will finally be given a hearing. He will tell us who the three prominent Democrats were who approached him with the treasonous plot to sell out to the enemy by manipulating grand juries. This will open a rash of congressional investigation and all Democrats will be trying desperately to prove they had no part in it. The Watergate grand jury was made up of 17 blacks and six whites - 22 Democrats and 1 Repu
- 8 - We will learn if Leon Jaworski and his staff really are pro-Communist traitors. When I wrote to Jaworski demanding to know if he really is a Communist and named the prominent people who suspect that he is, he didn't answer by letter even though I cite the following Sam Ervin quote - "One (legal) rule based on decision after decision is that if a charge is made against a person which he would naturally answer or explain, and such a person fails to answer that charge or offer an explanation, the finders of the facts may assume he has thereby impliedly admitted the truth of the charge." Mr. Jaworski has repeated over and over, though inconspicuously, that he didn't have enough evidence to indict Nixon for anything, and then he has gone right on to shout in a loud voice that Nixon was guilty. Mr. Jaworski contributed greatly to the sell out to Communism in Southeast Asia.
- 9 - We will learn how the Communist traitors on the House Judiciary Committee, aided by pro-Communist labor leaders, pushed that ultra liberal Committee to vote to impeach President Nixon with no kind of evidence, and how the real purpose was to force a surrender to the enemy.
- 10 - We will finally learn that Ted Kennedy and his circle of traitors with the help of our Communist controlled press did manipulate Watergate to destroy Nixon as Dean hinted in the tapes. We will also learn something that even Dean didn't know - Why Ted Kennedy and these other traitors did it. They did it to sell out to the enemy in Southeast Asia and to cover up the fact that the break-in at Watergate was made to try to uncover their treasonous plot. No wonder there was so much venom against Nixon -

much screaming about how Watergate was the greatest scandal of all time. By doing so, these traitors were covering up their own treason. The best way to spot these traitors is to look for those who scream the loudest about Watergate, such as V.P. Walter Mondale.

11 - At last a Congressional Committee will look into the assassination of President Kennedy. It has been rumored all along that Castro almost certainly had something to do with Kennedy's death, yet now we see the strange phenomenon of ardent Kennedy Democrats doing everything possible to prevent Castro's involvement from becoming known. In this we have proof that these people's loyalty to Communism is greater than their loyalty to their dead chief. The facts, when brought out, will show the beginning of this great conspiracy to destroy America and set up World Communism. We will see why Khrushchev was so angry when Kennedy was elected, Khrushchev and the Communists built a cult and the "hateable" worship of the Kennedys, and they did it for the sole purpose of trying to lure America into World Communism. With all these naive Kennedy worshippers helping when Khrushchev actually believed he might see the red flag fly over the whole world in his lifetime as he once boasted it would.

12 - We will learn at last the names of the high level traitors who tried so hard to sell us out. Here are a few of these high level people who, in my opinion, should be investigated for a possible charge of treason: - Larry O'Brien (Democratic National Committee Chairman at the time of the Watergate break-in). Senators Muskie, Kennedy and McGovern, who were also targeted. McGovern's campaign aides, Frank Bankiewicz and Gary Hart (now senator). Judge Lirica, Judge Gesell and the five Washington Appeals Court Judges who upheld the Watergate convictions. Leon Jaworski and his entire staff. The 22 members of the House Judiciary Committee who voted to impeach Nixon with no evidence (Many of these are Communists). House Speaker, Carl Albert and Majority Leader Thomas (Tip) O'Neill who engineered this impeachment without evidence. Also Representatives: Phillip Burton, John Conyers, Charles Rangel, Robert Kastenmeier, Patricia Schroeder, Barbara Jordan, Robert Drinan, and Elizabeth Holtzman. (Most House Judiciary Members).

In the Senate, besides Muskie, Kennedy and McGovern we have retiring Majority Leader, Mike Mansfield, Senators, Robert Byrd, Frank Church, Dick Clark and the five Watergate Committee members, Mike, Talmadge, Insure, Montoya, and Weicker.

In the media we have - CBS, owner, William Paley, President of CBS News, Richard Salant, and newsman, Walter Cronkite, Daniel Schorr (Now removed), Dan Rather and Fred Graham. NBC - Julian Goodman (President); Wallace Westfeldt, John Chancellor, Carl Stern and Douglas Kiker. ABC - Barbara Walters, Frank Reynolds and others.

New York Times - Arthur Ochs Sulzberger (Owner). A.M. Rosenthal, James Reston, Tom Vicker, Anthony Lewis, Seymour Mersh and James M. Naughton. Washington Post - Katherine Graham (Owner). Exec. Ed., Ben Bradlee, David Broder and almost everyone else. Los Angeles Times - Otis Chandler (Owner), Jack Nelson and nearly everyone else. Field Publishing Empire - Marshall Field V. (Owner) and entire staff of writers. Edwin Serhan and others at Christian Science Monitor. Joseph Pulitzer, editor of St. Louis Post Dispatch. Thomas Winship of the Boston Globe. Heads of the Associated Press and the United Press International. Everybody at TIME magazine. Osborn Elliott, editor and everyone else at NEWSWEEK. Columnists, Jack Anderson, Mary McGrory, Clayton Fritchey, Tom Braden. Garry Willis and Clark Hollenhoff. Jess Corbin, Editor of Parade Magazine, Staff writer, Lloyd Shearer and Walter Scott of Personality Parade.

I have personally written to all the people named above except William Paley, head of CBS. I have pointed out specific instances of their treasonous lies and demanded that they prove their statements or retract. No one has done either. Except for a very few form letters acknowledging receipt of my letter I have had no reply at all.

At last the volcano is about to explode and when it does I predict that a frightened angry America will move swiftly to clean out a 50 year accumulation of Communists and traitors who have slowly and stealthily worked their way into every part of our society.

COMMUNIST CONTROL OF THE PRESS

President Johnson said: - "Then the Communists stepped in. They control the three networks you know, and the 40 major outlets of communication. It's all in the FBI reports. They prove everything."

I also have proof of this Communist control - proof gathered from seven years of intensive study of our Communications media. I suspect that the overwhelming majority of our newsmen do not know they are participating in treason. They don't realize how they have been hypnotized and manipulated. They believe the big lie that we have a free press because they hear no voice anywhere challenging the lie. Like most Americans they can't believe that our press could be so controlled that all opposition is successfully muzzled. I found it hard to believe myself until I had amassed overwhelming proof.

When I point out to people that Watergate was the greatest overt act of treason in history they dismiss me as crazy. The facts however show conclusively that Watergate was deliberately engineered by traitors in the CIA, the Justice Department, the Congress and the Democratic Party to sell out to Communism. The plan was to stir the people into such a frenzy with Watergate lies that they would elect a pro-Communist congress which would immediately sell out to Communism in Southeast Asia by cutting off the supplies. After they succeeded in doing this these traitors tried to destroy the FBI and the CIA in a mighty concerted effort to start a revolution which they hoped would bring about a Communist takeover of America itself.

Let's look at some of the facts - facts which would be published if our press was not controlled. The Vietnam war was not an evil unnecessary war as we have been told. History may call the Vietnam war the most important war in the history of the world - the turning point in the great struggle for the minds of men.

The real war was not lost, it was won. Even the civil war between Communists and non-Communists was won until traitors in this country snatched defeat from the jaws of victory by manipulating Watergate. Because brave Americans stood firm in the beginning at a very critical time, all of Southeast Asia did not fall to the Communists as would most certainly have happened if America had not intervened. If Southeast Asia had fallen, the Middle East, Africa and South America would almost certainly have fallen too. Remember Castro was poised to take over all of South America. If we had not gone into Vietnam and held, it is very likely that the Mexican border would now be our Communist boundary and America would be well on its way to becoming an island in a Communist world.

A military victory in Vietnam could have been easily won at any time if a military victory had been the object. But a forced military victory would have lost the real war instead of winning it. The real war was to prevent Mao and Castro from taking over the whole third world with "People's wars of liberation". Mao had refined guerrilla warfare until he boasted that it could win over any modern army as it had won against the French in Vietnam. Remember how Mao said the United States was a "paper tiger". "Push them and they'll back down," he said. When a dedicated American army did not back down but learned by bitter trial and error how to stop this kind of guerrilla warfare, the real war for the minds of men was won. This assured that the entire undeveloped world would not be swept into the Communist fold with one wildfire conflagration as Mao and Castro hoped. Third world people had time to learn the kind of oppressive governments Mao and Castro were planning for them and they took steps to prevent it.

The Tet Offensive was an admission by the Communists that their guerrilla war had failed and that they must turn to conventional arms. When their massive conventional attacks were stopped cold by withering American firepower the war should have ended very quickly with a Communist defeat. But the North quickly turned for help to their Communist friends in America who had now gained complete and absolute control of the press. These traitors began immediately to proclaim that the American Tet victory was a defeat.

They stepped up the theme of "Evil unwinnable war" and soon destroyed President Johnson with an all out push of the peace effort.

The next year, aided by an army of smart assed young newsmen who were too yellow to take their turn defending the freedoms that millions died to give us, they succeeded in painting the important battle of My Lai as a massacre. The purpose was to destroy the morale of our army and the people's faith in it in order to set the stage for an eventual surrender in Vietnam. This massacre story was the best example of the "Big Lie" technique the world had ever seen until Watergate came along.

After they milked all the propaganda they could from My Lai they pushed Daniel Ellsberg and his Pentagon Papers. Ellsberg freely admitted he was a traitor who was deliberately trying to force a surrender to the Communists in Vietnam. When he was finally sprung by his Communist oriented friends, he said: - "Now the revolution is back on the track for '76." Radical lawyer, William Kunstler, in a speech publicly promised that this revolution would occur by 1976.

There is solid evidence that Ellsberg, or his friends, gave the Pentagon Papers to the Russian Embassy. These included the four sensitive volumes which the papers didn't publish. Six Supreme Court Justices said that these four volumes could do great harm to the United States. Yet Communist sympathizers in Congress (Carl Albert and Tip O'Neill in the House and Mike Mansfield and Robert Byrd in the Senate) blocked all efforts to conduct a Congressional investigation into the activities of this confessed traitor, Daniel Ellsberg. They then sat by without protest while pro-Communists in the Justice Department and the Special Prosecutor's office jailed loyal Americans who were trying to uncover Ellsberg's treason. They claimed that this perfectly legal and very necessary investigation violated the civil rights of Ellsberg's psychiatrist.

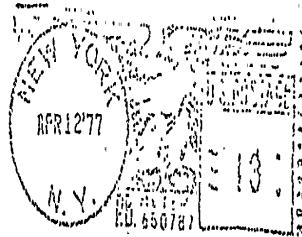

Then came Watergate, the most colossal "Big Lie" of all time which was deliberately planned to set up the surrender in Southeast Asia and then hopefully to set up the surrender of America itself. If Nixon had not resigned and been pardoned when he did it is quite possible that the frenzy created by these treasonous lies would have brought about the Communist overthrow of our government.

My Lai was the first solid evidence that our press is Communist controlled. Actually My Lai was a staging area for the launching of the second wave of the Tet Offensive which the Communists boasted would unite the North and the South in one stroke and thus surround and trap our entire half million man army. Time, Newsweek and U.S. News all described very graphically the danger of this impending second wave in their issues of March 11, 68 (five days before My Lai). Yet 18 months later they lied and said it was a massacre of innocent residents and not a battle. When General Westmoreland congratulated Medina and Calley's C Company for dealing the enemy a "heavy blow" at My Lai he was not talking about killing innocent civilians.

Here is proof that Time Magazine lied. On page 28 of the December 5, 1969 issue is a good aerial photo of My Lai. It shows that this tiny sub-hamlet couldn't possibly have had more than 10 homes. Yet on page 24 of this same issue Time's As. Ed. Magazine under the direction of Senior Editor, James McManus tells the following big lie: - "But despite the lack of enemy fire, Calley's men in less than 20 minutes ignited 'hootches' and chased all the villagers - whether fleeing, standing or begging for mercy - into groups, and shot everyone. (Impossible under battle conditions). All were either elderly men, women or children. Estimates of the dead ranged from 109 to 567."

In other words these Time writers, along with all other newsmen, told us that Calley and his men mercilessly gunned down an average of 11 to 56 innocent unarmed residents from each home. This after 75 to 150 were killed before the GIs landed and 100 to 400 were seen fleeing down the highway.

As for Watergate, the tape transcripts show that the lies told there were even worse. Yet show me anywhere in this great country where any of these easily proven lies were

They stopped up the theme of "Evil unwinnable war" and soon destroyed President Johnson with an all out push of the peace effort.

The next year, aided by an army of smart assed young newsmen who were too yellow to take their turn defending the freedoms that millions died to give us, they succeeded in painting the important battle of My Lai as a massacre. The purpose was to destroy the morale of our army and the people's faith in it in order to set the stage for an eventual surrender in Vietnam. This massacre story was the best example of the "Big Lie" technique the world had ever seen until Watergate came along.

After they milked all the propoganda they could from My Lai they pushed Daniel Ellsberg and his Pentagon Papers. Ellsberg freely admitted he was a traitor who was deliberately trying to force a surrender to the Communists in Vietnam. When he was finally sprung by his Communist oriented friends, he said: - "Now the revolution is back on the track for 76." Radical lawyer, William Kunstler, in a speech publicly promised that this revolution would occur by 1976.

There is solid evidence that Ellsberg, or his friends, gave the Pentagon Papers to the Russian Embassy. These included the four sensitive volumes which the papers didn't publish. Six Supreme Court Justices said that these four volumes could do great harm to the United States. Yet Communist sympathizers in Congress (Carl Albert and Tip O'Neill in the House and Mike Mansfield and Robert Byrd in the Senate) blocked all efforts to conduct a Congressional investigation into the activities of this confessed traitor, Daniel Ellsberg. They then sat by while a protest while pro-Communists in the Justice Department and the Special Prosecutor's office jailed loyal Americans who were trying to uncover Ellsberg's treason. They claimed that this perfectly legal and very necessary investigation violated the civil rights of Ellsberg's psychiatrist.

They also helped the Communists to set up the surrender in 1975 and then repeating to set up the surrender of America itself. If Nixon had not resigned and been pardoned when he did it is quite possible that the frenzy created by these treasonous lies would have brought about the Communist overthrow of our government.

My Lai was the first solid evidence that our press is Communist controlled. Actually My Lai was a staging area for the launching of the second wave of the Tet Offensive which the Communists boasted would unite the North and the South in one stroke and thus surround and trap our entire half million man army. Time, Newsweek and U.S. News all described very graphically the danger of this impending second wave in their issues of March 11, 68 (five days before My Lai). Yet 18 months later they lied and said it was a massacre of innocent residents and not a battle. When General Westmoreland congratulated Medina and Calley's C Company for dealing the enemy a "heavy blow" at My Lai he was not talking about killing innocent civilians.

Here is proof that Time Magazine lied. On page 28 of the December 5, 1969 issue is a good aerial photo of My Lai. It shows that this tiny sub-hamlet couldn't possibly have had more than 10 homes. Yet on page 24 of this same issue Time's As. Ed. Maguassan under the direction of Senior Editor, James McManus tells the following big lie: - "But despite the lack of enemy fire, Calley's men in less than 20 minutes ignited 'hootches' and chased all the villagers - whether fleeing, standing or begging for mercy - into groups, and shot everyone. (Impossible under battle conditions). All were either elderly men, women or children. Estimates of the dead ranged from 109 to 567."

In other words these Time writers, along with all other newsmen, told us that Calley and his men mercilessly gunned down an average of 11 to 56 innocent unarmed residents from each home. This after 75 to 150 were killed before the GIs landed and 100 to 400 were soon fleeing down the highway.

As for Watergate, the tape transcripts show that the lies told there were even worse. Yet show me anywhere in this great country where any of these easily proven lies were exposed.

COMMUNIST CONTROL OF THE PRESS

President Johnson said: - "Then the Communists stepped in. They control the three networks you know, and the 40 major outlets of communication. It's all in the FBI reports. They prove everything."

I also have proof of this Communist control - proof gathered from seven years of intensive study of our Communications media. I suspect that the overwhelming majority of our newsmen do not know they are participating in treason. They don't realize how they have been hypnotized and manipulated. They believe the big lie that we have a free press because they hear no voice anywhere challenging the lie. Like most Americans they can't believe that our press could be so controlled that all opposition is successfully muzzled. I found it hard to believe myself until I had amassed overwhelming proof.

When I point out to people that Watergate was the greatest overt act of treason in history they dismiss me as crazy. The facts however show conclusively that Watergate was deliberately engineered by traitors in the CIA, the Justice Department, the Congress and the Democratic Party to sell out to Communism. The plan was to stir the people into such a frenzy with Watergate lies that they would elect a pro-Communist congress which would immediately sell out to Communism in Southeast Asia by cutting off the supplies. After they succeeded in doing this these traitors tried to destroy the FBI and the CIA in a mighty concerted effort to start a revolution which they hoped would bring about a Communist takeover of America itself.

Let's look at some of the facts - facts which would be published if our press was not controlled. The Vietnam war was not an evil unnecessary war as we have been told. History may call the Vietnam war the most important war in the history of the world - the turning point in the great struggle for the minds of men.

The real war was not lost, it was won. Even the civil war between Communists and non-Communists was won until traitors in this country snatched defeat from the jaws of victory by manipulating Watergate. Because brave Americans stood firm in the beginning at a very critical time, all of Southeast Asia did not fall to the Communists as would most certainly have happened if America had not intervened. If Southeast Asia had fallen, the Middle East, Africa and South America would almost certainly have fallen too. Remember Castro was poised to take over all of South America. If we had not gone into Vietnam and held, it is very likely that the Mexican border would now be our Communist boundary and America would be well on its way to becoming an island in a Communist world.

A military victory in Vietnam could have been easily won at any time if a military victory had been the object. But a forced military victory would have lost the real war instead of winning it. The real war was to prevent Mao and Castro from taking over the whole third world with "People's wars of liberation". Mao had refined guerrilla warfare until he boasted that it could win over any modern army as it had won against the French in Vietnam. Remember how Mao said the United States was a "paper tiger". "Push them and they'll back down," he said. When a dedicated American army did not back down but learned by bitter trial and error how to stop this kind of guerrilla warfare, the real war for the minds of men was won. This assured that the entire undeveloped world would not be swept into the Communist fold with one wildfire conflagration as Mao and Castro hoped. Third world people had time to learn the kind of oppressive governments Mao and Castro were planning for them and they took steps to prevent it.

The Tet Offensive was an admission by the Communists that their guerrilla war had failed and that they must turn to conventional arms. When their massive conventional attacks were stopped cold by withering American firepower the war should have ended very quickly with a Communist defeat. But the North quickly turned for help to their Communist friends in America who had now gained complete and absolute control of the press. These traitors began immediately to proclaim that the American Tet victory was a defeat.

much screaming about how Watergate was the greatest scandal of all time. By doing so these traitors were covering up their own treason. The best way to spot these traitors is to look for those who scream the loudest about Watergate, such as V.P. Walter Mondale.

11 - At last a Congressional Committee will look into the assassination of President Kennedy. It has been understood all along that Castro almost certainly had something to do with Kennedy's death, yet now we see the strange phenomenon of ardent Kennedy Democrats doing everything possible to prevent Castro's involvement from becoming known. In this we have proof that these people's loyalty to Communism is greater than their loyalty to their dead chief. The facts, when brought out, will show the beginning of this great conspiracy to destroy America and set up World Communism. We will see why Khrushchev was so happy when Kennedy was elected. Khrushchev and the Communists built Camelot and the fantastic worship of the Kennedys, and they did it for the sole purpose of trying to lure America into World Communism. With all those naive Kennedy worshippers helping them Khrushchev actually believed he might see the red flag fly over the whole world in his lifetime as he once boasted it would.

12 - We will learn at last the names of the high level traitors who tried so hard to sell us out. Here are a few of these high level people who, in my opinion, should be investigated for a possible charge of treason: - Larry O'Brien (Democratic National Committee Chairman at the time of the Watergate break-in). Senators Muskie and McGovern, who were also targeted. McGovern's campaign aides, Frank Mankiewicz and Gary Hart (Now Senator). Judge Sirica, Judge Gosell and the five Washington appeals Court Judges who upheld the Watergate convictions. Leon Jaworski and his entire staff. The 28 members of the House Judiciary Committee who voted to impeach Nixon with no evidence (Many of these are Communists). House Speaker, Carl Albert and Majority Leader, Thomas (Tip) O'Neill who engineered this impeachment without evidence. Also Representatives Philip Burton, John Conyers, Charles Rangel, Robert Kastenmeier, Patricia Schroeder, Barbara Jordan, Robert Drinan and Elizabeth Holtzman (Past House Judiciary members). In the Senate McGovern, Muskie, Kennedy and McGovern to have retiring Majority Leader, Bill McClellan, and Lords, Robert Byrd, Frank Church, Dick Clark and the five Watergate Committee members, Levin, Pataki, Long, Montoya, and Weicker.

In the media we have - CBS, Gomer, William Paley, President of CBS News, Richard Salant, and newsmen, Walter Cronkite, Daniel Schorr (Now removed), Dan Rather and Fred Graham. NBC - Julian Goodson (President); Wallace Westfeldt, John Chancellor, Carl Stern and Douglas Kiker. ABC - Barbara Walters, Frank Reynolds and others. New York Times - Arthur Ochs Sulzberger (Owner). A.M. Rosenthal, James Reston, Tom Wicker, Anthony Lewis, Seymour Mersh and James M. Naughton. Washington Post - Katharine Graham (Owner). Exec. Ed. Etn Bradley, David Broder and almost everyone else. Los Angeles Times - Otis Chandler (Owner). Jack Nelson and nearly everyone else. Field Publishing empire - Marshall Field V. (Owner) and entire staff of writers. Edwin Conham and others at Christian Science Monitor. Joseph Pulitzer, editor of St. Louis Post Dispatch. Thomas Winship of the Boston Globe. Heads of the associated Press and the United Press International. Everybody at TIME magazine. Osborn Elliott, editor and everyone else at NEWSWEEK. Communists, Jack Anderson, Mary McGrory, Clayton Fritchey, Tom Braden, Garry Williams and Clark Mollenhoff. Jess Corbin, Editor of Parade Magazine, staff writer, Lloyd Shorser and Walter Scott of Personality Parade.

I have personally written to all the people named above except William Paley, head of CBS. I have pointed out specific instances of their treasonous lies and demanded that they prove their statements or retract. No one has done either. Except for a very few form letters acknowledging receipt of my letter I have had no reply at all.

At last the volcano is about to explode and when it does I predict that a frightened angry America will move swiftly to clean out a 50 year accumulation of Communists and traitors who have slowly and sneakily worked their way into every part of our society.

2-770422018 Q4 14

WATERGATE VOLCANO WHICH IS ABOUT TO EXPLODE

When the truth about Watergate finally comes out it will be like an exploding volcano and many prominent Americans may find themselves charged with treason.

FACTORS PUSHING TOWARD AN EARLY ERUPTION

- 1 - Nixon will soon be allowed to give his side of the case for the first time. At his insistence he would not present his defense until after the election.
- 2 - Agnew will soon be able to talk. His three years of probation are now over and he says the court cases which have kept him muzzled will be finished in the spring. He promises to tell all.
- 3 - Senator Gurney has finally been acquitted of all charges. He should now be able to tell us the names of the traitors in the Justice Department who framed him for trying to defend Nixon in the Watergate hearings.
- 4 - Senator Goldwater has written down the shocking abuse of Agnew but has instructed that it not be published until after his death. When Nixon, Agnew and Gurney talk he may change his mind.
- 5 - John Connally was also a victim of outrageous treatment by our enemy infiltrated Justice Department. Connally will not be shy about talking when the time comes.
- 6 - Roberto Vesco will finally be given a hearing. He will tell us who the three prominent Democrats were who approached him with the treasonous plot to sell out to the enemy by manipulating grand juries. This will open a rash of congressional investigation and all Democrats will be trying desperately to prove they had no part in it. The Watergate grand jury was made up of 17 blacks and six whites - 22 Democrats and 1 Republican.
- 8 - We will learn if Leon Jaworski and his staff really are pro-Communist traitors. When I wrote to Jaworski demanding to know if he really is a Communist and named the prominent people who suspect that he is, he didn't answer by letter even though I cited the following Sam Ervin quote: - "One (legal) rule based on decision after decision is that if a charge is made against a person which he would naturally answer or explain, and such a person fails to answer that charge or offer an explanation, the finders of the facts may assume he has thereby impliedly admitted the truth of the charge." Mr. Jaworski has repeated over and over, though inconspicuously, that he didn't have enough evidence to indict Nixon for anything, and then he has gone right on to shout in a loud voice that Nixon was guilty. Mr. Jaworski contributed greatly to the sell out to Communism in Southeast Asia.
- 9 - We will learn how the Communist traitors on the House Judiciary Committee, aided by pro-Communist labor leaders, pushed that ultra liberal Committee to vote to impeach President Nixon with no kind of evidence, and how the real purpose was to force a surrender to the enemy.
- 10 - We will finally learn that Ted Kennedy and his circle of traitors with the help of our Communist controlled press did manipulate Watergate to destroy Nixon as Dean hinted in the tapes. We will also learn something that even Dean didn't know - Why Ted Kennedy and those other traitors did it. They did it to sell out to the enemy in Southeast Asia and to cover up the fact that the break-in at Watergate was made to try to uncover their treasonous plot. No wonder there was so much venom against Nixon - so

IMPORTANT NOTE ABOUT THE DOG AND THE GENERAL

If the Dog and the General write to you and threaten to hang you or physically harm you in any way, pay no attention. They are both fiction characters and as such are utterly incapable of harming anyone. Tex Hale, the other half of my split personality who invented the Dog and the General, thinks they are real. He thinks they have simply learned how to make themselves invisible and deliberately hide from him to annoy him. Poor Tex, ever since we were in a Prisoner of War camp in Germany in World War II he has had trouble determining what is real and what is not.

It should also be noted that the General, besides being a fiction character, has been declared legally insane. Both classifications annoy him tremendously. "Us insane people and us fiction characters are picked on more than any other minority," he says.

"Bull....!" the Dog growls. "Dogs are picked on a thousand times more than you are. What other minority besides dogs is systematically exterminated by law?"

"You imbecile!" The General screams. "What other minority is pampered like you are? You never do a lick of work. You lay around on a soft warm bed. You demand and get only the best of food - served to you at that. I sure wish I could get pampered like that for just wagging my tail."

This always leads to an argument, then a fight which goes on until both are exhausted. To avoid being blamed for their outlandish beliefs I readily admit that both the Dog and the General are bigoted racists. They are not fair or reasonable about anything. I make no attempt to defend them.

If you are shocked by the rude obscene things they write in their letters, just consider the course. You should see the nasty letter they just sent to the Pope. They decided to know, among other things, why he never got married, and the things they insinuated from that innocent fact are scandalous. Take my advice, pay no attention to anything they say or do.

QUESTIONNAIRE

(The Dog and the General insist on an answer)

Check all of the following which apply to you:

Are you: Good Jew.... Kike.... Good black.... Nigger.... Good Italian.... Wop....

Good Gentile.... Henkey.... Racist.... Nigger lover.... Redneck.... Bigot....

Are you a: Communist.... Marxist.... Communist lover.... Communist hater....

Useful Idiot (Lenin's term).... Are you a: Texas Democrat.... Jack Ass Democrat.

(Dumb Democrats who deliberately chose a Jack Ass as their symbol).... Bold Republican....

Timid Republican.... Filthy Rich Republican.... Republican Crook....

This next should be answered only by traitors who expect to get hanged. Since the Dog and the General (The worlds greatest expert with the bayonet) plan to bite you and jab you all the way up to the gallows, this information is vital to tell them how hard to bite and jab.

Is your rear end: Tough.... Medium.... Tender.... Tough as sun dried leather.... (This last will be marked for all who do not answer).

For those traitors the General hates the most he also plans to sprinkle itch powder on the noose and dump a handful of ants in their pants.

ULTIMATUM BY THE DOG AND THE GENERAL

As a last bit of kindly advice to you the General wishes to quote his favorite passage from the Bible and urge you to heed what it says. He admits that following this scriptural advice will be tough and will completely change your future but he says it is the only way to persuade historians to give you a little sympathy. Here is the General's favorite Bible quote which he thinks may have been written specially for you. Quote - "And Judas went and hanged himself. Go thou and do likewise."

NOTE - I told that old fool you can't take two separate passages from the Bible and tack them together that way. The last statement is out of context and doesn't represent what was intended at all.

The General drew himself up fiercely. "Tex," he said, "every word of the Bible is true. It doesn't make a bit of difference how you string them together. They are all true." The worst of it is his quote isn't even original. He learned it from a joke he heard.

The General says if you won't take the above advice then flee at once to your favorite Communist country and ask for asylum. No Communist country will be keen about taking you in, he warns. As Benedict Arnold learned, no one has much respect for a traitor. But they will probably accept you and give you some kind of modest employment, such as cleaning latrines, or spreading night soil if you go to China.

The General explains that almost anything is better than what is going to happen to you if you stay here. The treason law is written right into the Constitution itself and when the American people finally learn how you tried to sell us out to World Communism they are going to enforce that law with a vengeance, probably hang you on prime time television. Furthermore, if you end up getting hanged the Dog promises to bite you all the way up to the gallows and the General plans to jab you with his bayonet.

In fact they envision doing even more. The General hopes to sneak around and sprinkle some itch powder on the nose and then dump a handful of ants in your pants. "It's the only way to keep those snakes from using their last words to filibuster," the General says. As the Dog's final expression of contempt he plans to piddle on your leg just before the trap is sprung.

No doubt you hope to be saved by that great herd of bleeding hearts who oppose capital punishment, and to demonstrate his great compassion the General is willing to compromise on that. After you are sentenced to be hanged he will urge giving you two options: -(1)- Life at hard labor - sixteen hours a day on the rock pile on bread and water (butter on your bread after ten years of good behavior). or - (2) - Drop you by parachute over Cambodia from a plane marked CIA. This will, of course, be after you have been sentenced to hang, so that if you are ever found in the free world again the sentence can be promptly carried out. If you really do believe that Communists are compassionate peace loving people you should choose this last option.

WARNING - Do not trust the General. He is full of tricks, most of them dirty. Example - He is now writing to Ecology groups begging them to send him money. He promises to hang ten million traitors a year until we get the population down to manageable levels. He argues that this is the best way to cut down pollution. The thing he neglects to tell them is that he has all Ecology groups at the top of his list of people to be hanged first.

Judge Sirica and Judge Gesell played a large part in this deliberate treason and they were aided by the five judges on the Washington appeals Court who approved their illegal actions. Can you give me the names of THE FIVE APPEALS COURT JUDGES who ruled that the Watergate convictions were legal.

4 - What about the House Committee ^{investigate} to the Kennedy and King assassinations? Are they trying to get the truth or are they trying to cover up Castro's involvement by trying to make out that the FBI and the CIA did it. Let me know who votes for and against this committee and what the real struggle is about.

5 - Can you find out for me why Attorney General Bobby Kennedy ordered a wiretap on Martin Luther King and why this important information has been hushed up. I heard a report on the radio that a federal judge has ordered that all material uncovered about King be sealed for 50 years. If this is true who is the judge who ordered it and why did he do it? Is it possible to force out this information under the Freedom of Information Act?

6 - Can you get a copy for me of the Minority Report of the Ervin Senate Watergate Committee which Senator Ervin and the Democrats on his Committee refused to include in the regular report?

7 - Will you ask Senator Howard Baker what evidence he has that the CIA under Helms set up Watergate to destroy Nixon. Was this part of the overall treasonous conspiracy to sell out to Communism in Southeast Asia or was this merely the result of jealousies and dickering within the Department as Frank Sturgis seems to think?

Mike Wallace, CBS News: - April 4, 1977 -

I have solid proof that you are a pro-Communist anti-America traitor. I have tapes of the treasonous things you have said on National Television and carbons of the letters I sent to you pointing out your false treasonous statements, letters which you didn't even answer. You make me want to puke, traitor Mike Wallace. The Dog does puke, every time he sees you on TV. He pukes all over the rug and doesn't even bother to lick it up. He then trots over to the TV and piddles right in your eye. When Nixon, Liddy, Mitchell, Mardian, Agnew and others talk, I predict that an outraged America will publicly hang you on prime time television. If you want to save your worthless hide start finding answers to some of the questions listed here and report them to the American people. Your boss, William Paley, can't save you. He is going to get hanged too. Our Founding Fathers wisely wrote the treason law right into the Constitution itself, obviously to take care of precisely the kind of controlled press situation we are facing now.

There is some vital information which I, as an unknown, cannot get. Can you get it for me?

1 - Who are THE PEOPLE IN THE JUSTICE DEPARTMENT responsible for bringing Senator Gurney, John Connally, John Mitchell and Maurice Stans to trial on charges so flimsy that all were acquitted on all counts by juries even in the enflamed Watergate atmosphere. These trials were obviously staged for political reasons and WERE PART OF THE TREASONOUS PLOT to sell out to Communism in Southeast Asia - now successful. Senator Gurney said the Justice Department should be called the Injustice Department. If the Justice Dept. refuses to give you this information, call for a Congressional investigation, and if it is blocked tell me who blocked it.

2 - Will you contact Robert Vesco, the fugitive millionaire in Costa Rica, and ask him who the three prominent Democrats are who approached him before Watergate with a scheme to destroy high level Republicans by manipulating Grand Juries. Vesco reported this in a nationally televised interview with Walter Cronkite. He apparently had notified Special Prosecutor, Archibald Cox, much earlier that he had the missing link in the Watergate case, but Cox wasn't looking for information against Democrats so he ignored him. Vesco said those three Democrats were not in office at the time but had been closely associated with government in the past and were prominent enough that most people would know them. According to Vesco they said Grand Juries were the weak link in our system and could be manipulated. They said it wasn't necessary to have evidence enough to get a conviction - that an indictment would be enough to ruin the people targeted. All this was done and the long range treasonous goal was achieved.

Vesco's startling accusation was never published anywhere again that I saw. I have written to more than a hundred newspapers, Congressmen and others asking them to contact Vesco to find out who those three prominent Democrats are. To date no one has answered. It would be useless for me to write to Vesco myself. WILL YOU FIND OUT WHAT THE TRUTH IS?

3 - Can you get for me a list of THE DECISIONS JUDGE GERHART GESSELL HAS HANDED DOWN WHICH HAVE A BEARING ON POLITICAL MATTERS? Judge Gesell is considered the most liberal Judge in Washington. Judge Gesell and Judge Sirica, in defiance of the law, prosecuted all of the Watergate defendants illegally. It is a cardinal principle of law that no one can be convicted of a crime without a corpus delicti (proof that a crime was committed). All defendants in the Watergate case claimed that both break-ins were committed for National Security reasons and were properly authorized. If true even Sen Ervin admitted that both burglaries were legal. Judge Sirica and Judge Gesell refused to allow the defendants to even try to prove that National Security was involved. The result was the greatest overt act of treason in the history of the world. Watergate was used by our Communist controlled press to stir the country into such a frenzy that the people elected a pro-Communist Congress which sold out to the Communists in Southeast Asia by cutting off the supplies. Defeat was snatched from the jaws of victory and 55,000 Americans who died to win that victory were doublecrossed and insulted.

THREAT AGAINST

[REDACTED]
[REDACTED] - VICTIM
EXTORTION

On July 6, 1981, the Washington Field Office of the Federal Bureau of Investigation advised [REDACTED] received a letter dated June 22, 1981, from a Donald Perry Hall, 33951 Avenue "F", Yucaipa, California, wherein Hale stated [REDACTED] is on a "hit list" and the only way to avoid a rope around his neck is to start a Congressional investigation of the Anti-Defamation League and the American Jewish Committee. Hale further related that his "buddies" and himself would not rest until all 28 members of the House Judiciary Committee who voted to impeach President Nixon are brought to trial for treason.

b6
b7C

Hale stated in the letter that he has written 20 Congressmen and four Senators concerning the above matters.

On July 13, 1981, Hale was interviewed at his residence by the Federal Bureau of Investigation and advised he has been writing to Congressmen for the past 12 years and, "All I want is for someone to listen to me. I have no intention of threatening or harming anyone in any way. I just want someone to answer my charges."

Hale stated his "buddies" are the 30 million American war veterans, "especially the Vietnam vets." Hale advised the "hit list" referred to in his letter to the Congressmen, "means only that these Congressmen should be brought to trial for treason and really I meant shit list."

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

DONALD PERRY HALE

Hale explained he is only interested in the Congressmen being brought to trial for treason by legal means and, "the rope around their necks means only by legal means they should be tried for treason."

Hale further related when he mentioned in his letter that, "it will get very rough for you; I meant that the Vietnam veterans may get stirred up and this may lead to violence, but I don't want that."

Hale advised he is, "a very unharmed person and it really bothered me to kill in the war (World War II) and I don't threaten people."

Hale stated he is only interested in "getting the Congressmen to listen to me and give me some answers and prove where I am wrong." Hale explained he, "put in some rough talk in the paper to get them to respond."

Hale advised he has written ten books, "but no one will publish them."

Hale stated he is retired and is receiving Social Security benefits plus an "emotional disability from World War II when I was a prisoner of war in Germany."

Hale related he attends weekly "emotional problems" sessions at the Loma Linda Veterans Administration Hospital, Loma Linda, California, and, "I have a dual personality, however, I have never harmed anyone."

The following is a description of Hale:

On July 14, 1981, the United States Attorney's Office, Los Angeles, California, advised said office will not prosecute Hale for extortion since there does not appear to be any criminal intent on the part of Hale and he has admitted personal factors (emotional problems) which would preclude prosecution.

In view of the above decision of the United States Attorney's Office, Los Angeles, the Federal Bureau of Investigation is conducting no additional investigation into this matter.

On July 14, 1981, the United States Secret Service Office, Riverside, California, was advised of the United States Attorney's Office decision to not prosecute Hale and furnished the details of Hale's interview.

Dear traitor Don Edward

We have proof that you are a traitor - A deliberate purposeful traitor. You are exerting all your efforts to enslave the whole world under Communism. Why else would you be trying so hard to get Communism established in Central America? Apparently you honestly believe that a world under Communism will bring about Utopia. If you are a Jew you believe that it will be the beginning of the Millenium under the long awaited Messiah.

You have never had anything but contempt for Democracy and the precious freedoms that millions died to give us. You are trying to destroy those freedoms with the mistaken notion that this will promote efficiency and bring about a better world.

You deliberately destroyed President Nixon and Vice President Agnew with lies in order to sell out to the Communists in Southeast Asia. This was the greatest act of treason in the history of the world and your part in it makes you subject by law to be tried for treason and executed. Treason is the most serious offense it is possible to commit against the United States. The treason law is written right into the Constitution itself and you have thus far escaped your just deserts only because Big Brother (The Anti-Defamation League) has such complete control of the press, the schools, the courts, and the government that nobody has been able to publish the truth about you.

That is why we have formed THE COMMITTEE TO SAVE AMERICA. This Committee is made up of (1) - The ghost of Joe McCarthy (Chairman) (2)-The ghost of Tex Hale (3)-The Dog (4)-The General and (5)-Sherlock Holmes.

Big Brother can't sue us, jail us or intimidate us. Mere humans can't even see us. This is why we will prevail against all you traitors. We will expose you, convict you and hang you. Now that we have worked out the complicated problem of communication with humans we are invincible. After all what can you or Big Brother do against two ghosts and three fiction characters?

Even worse for you, you can't hide anything from us since we can read your minds. Rest assured that unless you flee at once to your favorite Communist country and ask for asylum you will be publicly hanged on prime time television. Our buddies, all 30 million of them, and their families all 100 million of them, will see that you do not escape.

All we can say to you is - May God have mercy on your soul.

Sincerely,

*The Ghost of Joe McCarthy

IS TEX THE TERRIBLE REALLY THE GHOST OF OLD JOE McCARTHY?

Have you ever received any letters from a mysterious character who signs his name, Tex The Terrible? There is never any address or any indication where it came from. Once I found a letter on my desk in the morning when the house had been locked all night and there was no way anyone could get in.

Recently I got an anonymous letter saying that Tex The Terrible is really the Ghost of Senator Joe McCarthy who is bent on getting revenge against the traitors who destroyed him and then went on to sell out to the Communists in Vietnam. Naturally I don't put much stock in such a theory though I admit this character is just as nasty as Old Joe and just as quick to brand everyone as a Communist.

What I think has happened is that some of those poor conservatives out there who are accustomed to getting the door slammed in their faces whenever they speak out against traitors have concluded that if they send the material to me and sign it, Tex The Terrible, they may get results. Their reasoning is probably sound. They know that if they send their charges to an editor themselves they will be dismissed as a crank and their letters thrown into the wastebasket.

If, however, I send these charges to an editor explaining that I got the information in a letter signed by Tex The Terrible who claims to be the Ghost of Joe McCarthy the editor will at least be intrigued. If these charges involve things most people wouldn't know, he will be even more intrigued. After several such letters he might even send some reporters out to see if they can get a story out of the situation.

There is another advantage to sending the material to me signed, Tex The Terrible. Our press is now so completely controlled that if anyone says anything which might expose the people doing the controlling they immediately slap them with a frivolous lawsuit. They know the lawsuit has no merit and can't possibly win but they do it to discourage people from making charges against them. Tex The Terrible gets around this problem very neatly. Who can sue him if they don't even know who he is, and who can sue me or a newspaper for honestly inquiring to find out if what he says is true?

Let me know if you learn anything at all about this character, especially anything which might throw some light on whether or not he really is the ghost of Senator Joe McCarthy. Also if you run into some little known evidence about people working against America which our controlled press is suppressing, send it to me and sign it Tex The Terrible. I will do the rest.

P. S. - I am a Disabled American Veteran - Combat Infantry and Prisoner of War, World War II. I fought with the famed Texas 36th Infantry Division in France where my whole Company was surrounded and captured. I spent the rest of the war in Stalag 7A, near Munich. Old, 'Tail Gunner Joe McCarthy', may consider me a special buddy, just as we both consider Richard Nixon a special buddy.

ALL NEWSMEN ARE PRO-COMMUNIST ANTI-AMERICA
Sample letter from Tex The Terrible

Eighty one percent of all newsmen voted for McGovern while 64% of the American people chose Nixon. 94% of all newsmen were against Goldwater in 1964. Newsmen strongly support such liberal causes as Women's Rights, Gay Rights, Leftists activists and extreme environmental groups. 86% seldom or never go to church. 85% defend the right of homosexuals to teach in public schools. People who believe that America is a great country seldom or never get interviewed on television.

Who is behind this unbelievable pro-Communist anti-America bias?

The important battle of My Lai was sold to the American people as a massacre. No one got published who reported it as a crucial battle. My Lai was a vital staging area for the launching of the Second Wave of the Tet Offensive which could have resulted in the surrounding and trapping of our entire half million man army. Find that important truth anywhere in print today. Lt. Calley was convicted of murder for killing the enemy in this important battle.

Who controls the press so completely while the people believe it is free?

Watergate began when a few patriots learned that high level Democrats were conspiring with North Vietnam to sell out to the Communists. They broke into the Democratic Headquarters at Watergate to try to get evidence of this treason, but that powerful organization which controls America was too strong. They jailed the patriots, destroyed the President and Vice President with lies and elected a pro-Communist Congress which got the surrender in Vietnam after all by cutting off the supplies for the South.

The name of that well known Jewish organization which is controlling America so rigidly is the Anti-Defamation League. It has a giant headquarters in New York and 28 Regional offices throughout the country. It controls or influences every Gentile activity. Many people know of this organization and its stranglehold grip on everything, also the fact that Zionist Jews have been behind the entire Communist movement from the beginning. They know the eventual goal is a Communist world with Jews in control but they dare not say so for fear of being ruined.

George Washington said: - "The Jews work more effectively against us than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in. It is much to be lamented that each State, long ago has not hunted them down as pests to society and the greatest enemies we have to the happiness of America."

Benjamin Franklin, in an address to the Constitutional Convention in 1787, said: - "In whatever country Jews are settled in any great numbers they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at and tried to destroy the Christian Religion, have built a state within a state and have when opposed, tried to strangle that country to death financially.

"If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in in such great numbers that they will dominate and devour the land and change our form of government. If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish the substance while they will be in the counting houses rubbing their hands. I warn you Gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves."

NOTE - Don't write to me at this address. The Anti-Defamation League controls the Post Office Department and won't deliver my mail. Write instead to my buddy, Don Hale (Tex), 33951 Ave. F, Yucaipa, CA 92399. He doesn't know it but I look over his shoulder and read all his mail.

I have here in my hand the names of 113 Communist oriented traitors who were in the congress of the United States in 1974. These traitors, after manipulating Watergate to destroy the President and Vice President with lies then proceeded to sell out to the enemy in Vietnam after our brave soldiers had won.

Here are the 43 senators who scuttled South Vietnam by passing the Kennedy Ammendment to cut off the aid to the South which we had promised in a solemn treaty agreement to give them:

Abourezk, Bible, Biden, Byrd (Robert), Clark, Burdick, Cranston, Eagleton, Hart, Haskell, Huddleston, Hughes, Humphrey, Inouye, Kennedy, Magnuson, Mansfield, McGovern, Mondale, Montoya, Moss, Muskie, Nelson, Pastore, Pell, Proxmire, Randolph, Ribicoff, Stevenson, Symington, Tunney, Williams, Brooke, Case, Cook, Hatfield, Javits, Mathias, Pearson, Percy, Schweiker, Stafford and Weicker.

Here are the 70 Communist oriented Democrats who voted against an ammendment to condemn North Vietnam for invading the South after they had promised not to in the Paris Peace accords:

Abzug, Ashley, Badillo, Barrett, Bingham, Brademas, Brown (CA), Burke (CA), John and Phillip Burton, Carr, Chisholm, Clay, Conyers, Corman, Dellums, Diggs, Drinan, Duncan, Eckhardt, Edwards (CA), Fascell, Fisher, Ford (MI), Ford (TN), Hanley, Harrington, Hawkins, Hayes, Helstoski, Holtzman, Jacobs, Kastenmeyer, Keys, Koch, Leggett, Lehman, Metcalfe, Mezvinsky, Mikva, Miller, Mineta, Mink, Mitchell, Moss, Nix, O'Neill, Ottinger, Rangel, Rees, Reuss, Richmond, Rodino, Rosenthal, Royball, Scheuer, Schroeder, Seiberling, Solarz, Stark, Stokes, Thompson, Tsongas, Vander Veen, Waxman, Weaver, Wirth, Yates, Young, and two Republicans, McCloskey and Whalen.

It's hard to believe the treasonous things done by some of the people listed above which have been successfully covered up by the Anti-Defamation League. Let me give one tiny example. After the Watergate break-in it was said it was important to know why the burglars broke in. Testimony was given on the televised Ervin Committee hearings that, among other things, the burglars were trying to get proof that Castro, and maybe North Vietnam, had given money to McGovern's Presidential campaign. At a trial in Florida testimony was given that Castro gave 10 to 20 million dollars to McGovern. The fact that he had given money was well known in the Cuban Community in Miami. Yet our press ignored this important fact and the Watergate Judges, Sirica and Gesell, refused to let the burglars bring it out in court by denying them the right to use National Security as a defense.

When the Republicans finally forced McGovern to let them examine his book as the Democrats were examining theirs, they found McGovern's books in such a mess that nobody could make anything out of them. Can't you imagine the furor if the Republicans books had been in such a mess that no one could make anything out of them. Could all this account for the fact that McGovern, a very unpopular candidate, seemed to raise money so easily. Yet in spite of all the unbelievable things done in the Watergate investigation, the poor dumb American people still believe that the burglars broke in to learn details of the Democrat's campaign strategy.

Dear Don:

I received your December 16th letter, and most of the enclosures you furnished pertaining to ~~The Committee to Save America~~ have been brought to our attention previously.

The material appears to have been sent by Mr. Donald P. Hale who has been interviewed by the FBI in the past regarding his letter-writing campaigns to public officials. Despite the tone of his writings, the United States Attorney's Office, Los Angeles, California, has previously declined prosecution for extortion since there did not appear to be any real criminal intent and since Mr. Hale had admitted to having emotional problems for which he had been seeking professional help. However, I will ensure that the material you enclosed is forwarded to our Los Angeles Office for its evaluation since that may be the area from which the mail originated.

We still want you to advise us of any correspondence you receive which you believe may be threatening. To facilitate the handling of such mail, you may wish to have a member of your staff call either our San Francisco Office at (415) 553-7400 or our Washington Field Office at (202) 324-3000, so that arrangements can be made to have the mail picked up. It is requested that the envelope in which it was sent be preserved and the mail handled as little as possible to avoid any destruction of the evidence.

If additional information is required in this instance, your office will be contacted.

Honorable Don Edwards

NOTE: Congressman Edwards received what appears to be four letters signed by ~~THE GHOST OF JOE MC CARTHY; THE GHOST OF TEX HALE; ALEX THE TERRIBLE; and DONALD P. HALE.~~ The 12/10/86 letter to Congressman Edwards refers to him as a traitor "...exerting all (his) efforts to enslave the whole world under Communism." It goes on to say that ~~THE COMMITTEE TO SAVE AMERICA~~ "...will expose you, convict you and hang you." A second letter is captioned "All Newsmen Are Pro-Communist Anti-America." It claims that America is being controlled by the Anti-Defamation League, and that "...Zionist Jews have been behind the entire Communist movement from the beginning." The third letter has the typed signature of DONALD P. HALE, Yucaipa, California. It is captioned "Is Tex the Terrible Really the Ghost of Old Joe McCarthy?" HALE claims he gets anonymous letters claiming the "...Ghost of Senator Joe McCarthy who is bent on getting revenge against the traitors who destroyed him and then went on to sell out to the Communists in Vietnam." The fourth letter, among other things, lists "...70 Communist oriented Democrats who voted against an amendment to condemn North Vietnam for invading the South..." Congressman Edwards' name is listed among the others. Bufiles reveal that in 1980, DONALD PERRY HALE wrote to former AG Civiletti to enclose a book entitled "Kennedy At The Bridge." The cover letter claimed this book would give positive proof that "...the Justice Department is controlled by the enemy. The only way you can escape a rope around your neck is to start getting out indictments for treason immediately...(beginning) with former Attorney General Richardson and Assistant Attorney General Petersen. My dead buddies in Vietnam will be avenged." In 1981, HALE began a letter writing campaign to congressmen in connection with judicial proceedings that dealt with the impeachment of former President Nixon and a request to have Congress investigate the Anti-Defamation League and the American Jewish Committee. On 7/31/81, HALE was interviewed at his residence by the FBI and he advised that he had been writing congressmen for 12 years and these letters were not intended to be threatening or harming. He stated he wrote these letters on behalf of the 30 million American war veterans, especially the Vietnam vets. HALE further advised that he was retired, receiving Social Security benefits, plus an "emotional disability for World War II when (he) was a prisoner of war in Germany." In 1981, he was attending weekly "emotional problems" sessions at a local VA hospital and he concluded by saying, "I have a dual personality; however, I have never harmed anyone."

NOTE CONTINUED PAGE THREE

Honorable Don Edwards

On 7/14/81, the USA's office, LA, California, declined prosecution for extortion since there was no real criminal intent and because HALF had admitted his emotional problems and was seeking help. Bufiles contain reference to an organization called THE COMMITTEE TO SAVE AMERICA: however, it was [redacted] in New York, which was a front for the [redacted] DEFENSE FUND, and does not appear to be identical to the COMMITTEE referenced in current incoming. This reply is similar to the one sent to Congressman McCloskey, who also received most of these same enclosures. That reply was discussed with SA [redacted] Personal Crimes Unit, CID. Congressman Edwards is known to Judge Webster on a first-name basis.

9-62521-7 Re Washington Field teletype to the Bureau dated 2/3/87.

For information of Washington Field and the Bureau, the subject HALE has been contacted and interviewed on two prior occasions by the Los Angeles Division for writing quasi threatening letters. In each of these cases, the U.S. Attorney's Office at Los Angeles declined prosecution based primarily on HALE's statement that he did not intend to harm anyone and further had not made any overt action to do so. It was also suggested that HALE lacked the ability to commit any harm to the recipients of his letters.

The policy of the Los Angeles Office of United States Attorney is that unless threats are explicit and direct, and are coupled with some apparent where withalland intention to fulfill them, no prosecution would be entertained.

In view of the above, no further investigation would be conducted by the Los Angeles Division.
